

mini trac

Low voltage lighting track

Mini Trac is a sturdy and a well-known 12V track system in the world of lighting. Its circular design and wide selection of accessories makes it an easy choice for flexible lighting.

The benefits

- East to cut / join to desired length
- Easy to install with pre-drilled holes and mounting accessories
- Local built-in dimmer on all Mini Trac fixtures

Track and caps

Joiners

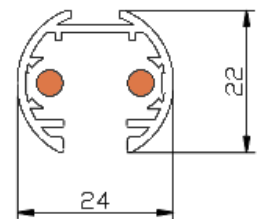

Wire kit
